

# Shelter in Place Decision Tree

Can the activity be accomplished without interfacing with people outside of your immediate family-unit (those living in your home)?

If yes, proceed with caution observing social distancing guidelines where needed.

If not, is the activity essential?

- Going to work at an essential business
- Going to a store for essential supplies
- Curbside Pickup from Restaurants
- Any outdoor activity where you can maintain minimum of 6ft social distancing

- Play dates or group sports
- Shopping for the sake of shopping or multiple shopping trips
- Gathering in non-family-unit groups
- Going to crowded places
