

PERMIT REQUIREMENTS FOR A SWIMMING POOL

Property owner must submit:

1. Completed Swimming Pool Permit Application
2. Detailed Site Plan – drawing must include fence and distances from pool to property lines
3. Fence Details –5 feet tall, substantial structure (no wire or plastic), must meet barrier requirements. No opening in fence material greater than 1.75 inches (44mm).
4. Gate Details – Must open away from the swimming pool area, be self-closing and have a self-latching device located 54 inches above ground.
5. Alarm Details - If the house is part of the fence barrier (one of the sides of the fence), the house must have alarms on the poolside windows and doors.
6. Swimming pools must be located in the side or back yard.

Please contact the permit office for more specific details.

City of Kilgore follows the 2012 International Swimming Pool and Spa Code.
